

# WINTER

## Upgrades & Maintenance

December - February

*Upgrade your home and Enjoy time with Family*

### Seasonal Inspections & Cleaning

You have done a good job preparing your home for the winter.

### Enjoy the time with Family

### Seasonal Maintenance & Repair

**Leaf Tree Pruning:** prune deciduous and summer-blooming plants, when dormant

**Crawlspace Maintenance:** Insulate and repair before spring moisture.

**Winterize Lawn Equipment:** Clean, oil, & condition power and hand tools.

### Ideal Upgrades Opportunity

Winter is perfect time for interior projects.

### *Maximize your indoor spaces*

**Flooring Repair/Upgrade:** Ideal time for smooth installations.

**Plumbing Upgrades:** Replace fixtures and upgrade pipes.

**Basement Upgrades:** Finish or improve basement spaces.

**Bathroom Remodels:** Perfect for tile and fixture updates.

**Electrical Work & Upgrade :** Add outlets, upgrade panels, enhance lighting.

**Smart Home Upgrades:** Install smart lighting, security, and more.

**Cabinet Installation:** Add or replace kitchen and bathroom cabinets.

**Trim Work:** Replace or upgrade interior trim and moldings.

### Seattle Winter Activities

**Scan the QR Code:** Seattle Winters always has things to do and ways to give to the less fortunate. I pulled together some ideas for you in the area. Let me know of more so I can share with the community.

The **ToolMan** is here to help you keep your home in order.
